EXHIBITION

Respected Trade Partner,

Warm greetings from the Organizing Team of APSICON 2026!

It is our privilege to invite you to partner with us at the **DIAMOND JUBILEE CONFERENCE - APSICON 2026**, which is the 60th Annual Conference of the Association of Plastic Surgeons of India, to be held at the Taj Cidade de Goa, Horizon from 9th to 13th December this year.

APSICON is the premier national platform in Plastic Surgery, bringing together an influential community of surgeons across aesthetic, reconstructive, cleft, burn, and wound care specialties. The conference offers a unique opportunity to engage directly with key decision-makers, thought leaders, and high-impact users of your products from across India and around the world.

We view our industry partners as vital stakeholders in the growth of our specialty. APSICON 2026 is designed to maximize your visibility and engagement through a range of opportunities—including exhibition spaces, named symposia, invited lectures by key opinion leaders, named competitive sessions like quiz, best paper, poster etc, other branding initiatives, and direct one-on-one interactions with delegates in a focused yet relaxed environment. Participating companies will also be prominently featured on the conference website with links to their platforms.

Our delegates not only represent strong individual purchasing capacity but also play a critical role in influencing hospital & institutional choices, making APSICON an ideal space to showcase your innovations.

Many of you have been regular partners with APSICON over the years and we sincerely value your continued support and look forward to strengthening this partnership for years to come. Our team, along with VAMA Events, is committed to ensuring a seamless and rewarding experience for you.

We look forward to welcoming you to APSICON 2026 and to building a mutually beneficial association.

With kind regards,

Vinita Puri
Organizing Chairperson

Venkateshwaran. N
Organizing Secretary

Nilesh Shende
Treasurer

Why Partner with APSICON 2026?

- 1200+ Delegates — plastic surgeons, residents, academicians & researchers from across India and abroad.
- Direct access to decision-makers who influence individual and institutional purchasing.
- Diamond Jubilee — the prestigious 60th edition drawing heightened media and peer attention.
- Taj Cidade de Goa, Horizon — 5-star resort venue ensuring a receptive, high-engagement audience.
- 5-day multi-format programme — scientific sessions, workshops, social evenings & networking.
- Digital visibility — logo and clickable link on the official conference website for all trade partners.

Trade Information Guide and Terms

General Stall Guidelines

- Stall allocation is subject to final approval and may be modified or reassigned by the Organizing Committee.
- Possession timing for setup and dismantling will be communicated closer to the event.
- Stall setup begins on **8th December 2026 at midnight**.
- Each stall will receive **1 KW single-phase power**; additional or three-phase power is available at extra cost.
- Only authorized badges will permit entry to the exhibition area.
- A fixed number of badges will be issued per stall.

Usage Restrictions

- Subletting or sharing of stalls is strictly prohibited.
- Lectures are not permitted within stalls; product demonstrations are allowed.
- Goods displayed must comply with government rules and regulations.

Liability & Responsibilities

- Organizers are not responsible for personal injury, theft, loss, or damage to exhibitor property.
- Overnight storage of materials is at the exhibitor's own risk.
- Exhibitors are responsible for booth cleaning after setup through their contractors.
- Any damage to stall structures or materials must be compensated.

Facilities & Services

- Basic shell scheme, electricity, signage, and seating are provided.
- Additional facilities can be arranged through the event manager at extra cost.
- Gate passes must be obtained from hotel management for material movement.

Stall Options

Exhibitors may choose from the following stall types:

1. Bare Space / Customised Booth

For exhibitors who wish to design and construct their booth independently:

- Design and construction materials must be arranged by the exhibitor.
- Only power connection will be provided by the organizers.

2. Octonorm / Shell Scheme Booth

For exhibitors requiring a standard setup provided by the organizers, with scope for additional branding.

Includes:

- 1 table and 2 chairs
- 1 waste paper basket
- Fascia board with company name and booth number
- 3 spotlights (100W each)
- 1 power socket

Exhibitors must confirm stall type in advance. Shell scheme exhibitors must confirm at least 10 days prior along with the exact fascia name.

Reference image of Octonorm Booth Structure. Below image is presented only for reference purpose:

Booth Construction & Display Rules

- No structure, exhibit, or branding may extend beyond allocated space.
- No modifications (nailing, drilling, painting, wallpapering, or graphics) are allowed on shell scheme panels.
- Only double-sided tape may be used for branding on Octonorm structures.
- Banners and hoardings must remain within stall boundaries; external displays are not permitted.
- Exhibition packing material must be cleared by stall owners.
- No promotional material may be pasted in hotel premises.

Safety & Compliance

- All displays must comply with safety, health, bio-hazard, and fire regulations.
- Exhibitors must adhere to venue fire and safety norms.
- Electrical wiring must be concealed, secured, and approved; loose connections are not allowed.
- Proper plugs must be used to meet fire safety standards.
- Labour staff must wear company uniforms, closed footwear, and safety gear (including helmets and shoes during setup/dismantling).
- Alcohol consumption and smoking are strictly prohibited within exhibition premises.

Terms & Conditions

- Stall/partnership allocation is on a **first-come, first-served basis**, subject to full payment.
- The Organizing Committee reserves the right to modify, reassign, or reconfigure the exhibition floor plan as deemed necessary.
- Full payment is required at the time of booking.
- Stall / partnership confirmation will be issued only after total payment is received.
- GST at 18% and other applicable taxes/levies will be charged as per government rules.

- Bank charges must be borne by the exhibitor.
- The Organizing Committee reserves the right to accept or reject applications without assigning reasons.
- Changes to event plans, venue, layout, or schedule may occur due to unforeseen circumstances.
- The Organizing Committee is not liable for any indirect associations not aligned with event objectives.
- All disputes are subject to Indian law under Goa jurisdiction, with arbitration prior to legal proceedings.

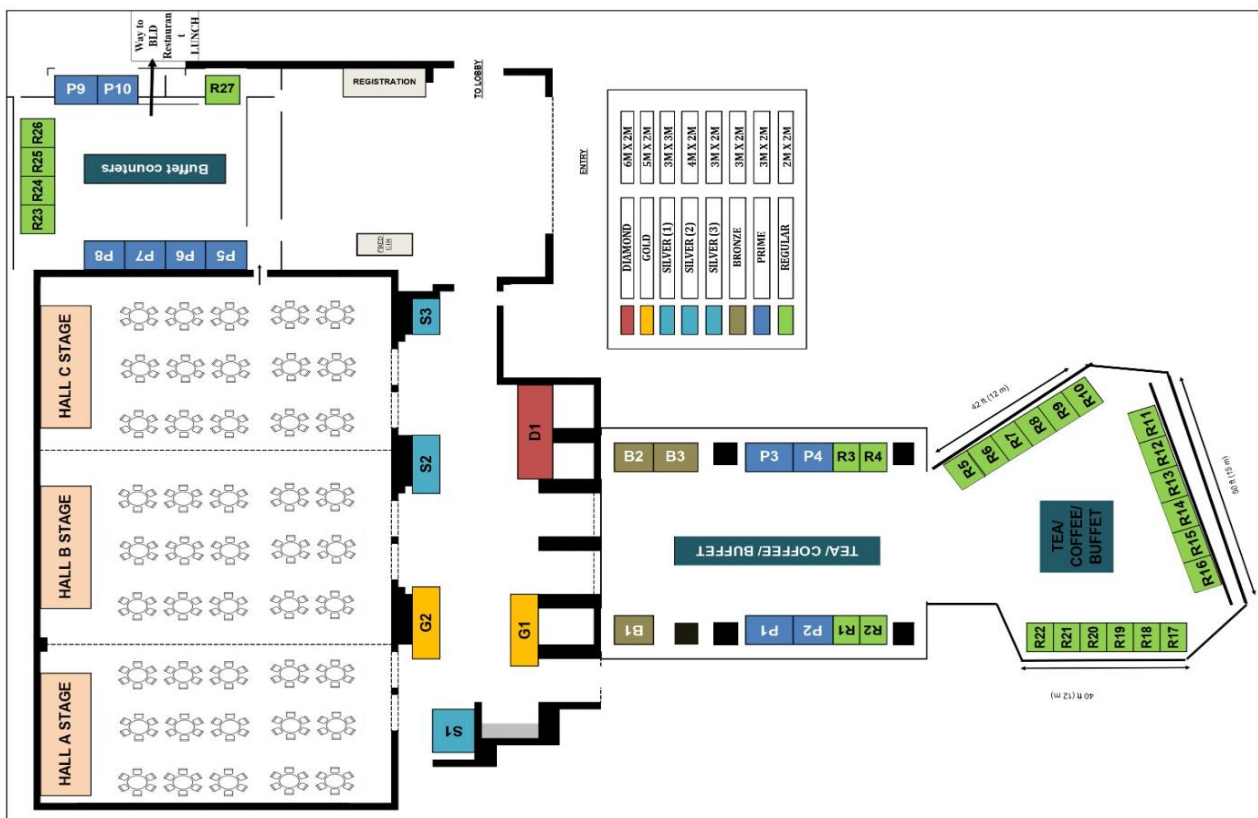

Payment & Documentation

- Payment proof must be submitted to the Conference Secretariat.
- Any remaining balance (if applicable with prior agreements) must be cleared at least three weeks before the event.

Cancellation & Refund Policy

- 50% retention for cancellations on or before **30 June 2026**
- 75% retention for cancellations on or before **30 September 2026**
- 100% retention for cancellations after **1 October 2026**
- Non-payment before event commencement will result in automatic cancellation

About our logo

The logo of the Diamond Jubilee conference APSICON 2026 is a celebration of the eternal quest for knowledge. The silhouette of Devi Saraswati, considered the Goddess of knowledge is seen playing the veena and holding a stylus in her hands striking an artistic pose. The divine veena symbolizes harmony between knowledge and art, it's musical notes radiating knowledge outwards. The stylus represents the primordial strokes of the creator, innovating and sculpting as it moves, serving as an inspiration to generations of plastic surgeons.

Finally, the logo theme "Tamasoma Jyotirgamaya" is a Sanskrit phrase which translates as "From darkness, lead me to light" representing the eternal quest of the knowledge seeker, ever thirsty to widen horizons, embracing the warm light of evidence and striving to attain perfection in outcomes with precision and empathy.
